MARCH, 1950

HOECOMING

Homecoming was a huge success this year. It began with the various anniversary groups having dinners, house parties, and gab sessions. The class of 1909 had six members present for reunion—they spent an evening with Eva Pickens Nicoll in Oak Park, Sunday with Millie Brown Sebert, and had a grand time at Sprague Home; the twenty-five year class was the class of 1924 with thirty-three present at the nurses' home. They had begun with a dinner at the Sherman, then the next day some of them took in Don McNeill's show and the Welcome Traveler's show. They gave a gift of \$310.00 to be used to purchase flat silver. Many classes and the school of nursing have contributed to this flat silver service, so that with this addition we can now serve 300 people. The class of 1932 also had a reunion with a wonderful attendance, and did they have fun taking pictures! The high light of the Homecoming was the penny contribution—not only did forty-six pennies per person come rolling in but even dimes, nickels, and dollars. All finding their way into the Helena McMillan Educational Fund.

A GREAT SUCCESS

The pennies received for the Helena McMillan Educational Fund including the generous response from our nurses out of the city amounted to \$222.71. Nurses from eight states contributed. Next year why not have all forty-eight states represented? Besides these pennies there were some additional contributions—Mrs. Thursa A. Bartlett sent a check of \$100.00 to be put into the fund in memory of her sister, Miss Aylward; Miss H. Forrest sent \$10.00. The committee wishes to express its deep appreciation for the genuine interest displayed by all of you.

DR. LEE C. GATEWOOD

It is with great sorrow that we note the passing of Dr. L. C. Gatewood. He was a great friend as well as physician to the many student nurses who have had the opportunity to know his kindness for the seventeen years of his service to the school of nursing. There is little that we can say here because each of us in our heart say so much more and better how we feel over the loss of his sympathy and understanding.

Early last fall when the hospital was so desperately in need of more graduate nursing service Mr. Reid suggested that some few members of the Alumnae Association might be willing to give us a little time and thereby relieve our situation. The appeal was sent and a most satisfactory response was the result. Fifteen nurses came in to help us. Some that were not able to come wrote or told us why they could not contribute. We want you to know that your interest, loyalty, and your efforts are sincerely appreciated and we are truly grateful for your response.

—Henrietta Froehlke, Director.

WHAT YOU SAY!!! Let's outnumber the students in attendance this year at the party given in their honor on Tuesday, March 7, at the Nurses' Home. Last year they topped us. Let's show them that we can play together as happily as we work together. Check this date on your calendar and attend. Yes!!! and while checking check the dates of the Annual tea planned for Tuesday, April 25, at Marshall Field's, and the Picnic on June 20 at Thatcher's Woods. **WHAT YOU SAY!!!**

JUNE, 1950

APPOINTMENT OF NEW DIRECTOR

We are pleased to announce to the Alumnae of the School of Nursing the appointment of Miss Sylvia Melby as the new Director of the School of Nursing and nursing service. Miss Melby is a graduate of our own school and has taken a very active part in nursing throughout the years. She is a graduate of St. Olaf's College and has both a B.A. and a Ph.D. degree from that school. She comes to us from the Fairview Hospital in Minneapolis, Minnesota where she has over the past 19 years filled a similar position with distinction to herself.

We look forward to welcoming her on September 1, 1950 and trust that the Alumnae will come back in large numbers for Homecoming to meet her.

Leslie D. Reid, Superintendent.

Illinois lacks approximately 13,000 nurses. Presbyterian Hospital needs fewer than 75 of these, but needs them in all departments. Will you be one to return? Bring your friends.

SPRING

CAPPING — 1950

Forty-nine pre-clins were capped and welcomed into the School of Nursing at the candle-light ceremony Mar. 17, 1950. Two \$50.00 bonds were awarded to Miss Rosebud Hyink and Miss Carol Hermance for the highest scholarship. The newly capped Freshmen left for a month's well-earned vacation, and as their good-byes faded into the distance, twenty new students were welcomed into Sprague Home.

GRADUATION — 1950

Of course we all realize that this is the most important time in the students' career but we are only trying to be methodical and follow a chronological order! April 19, 1950 brought the first of the graduation festivities—the Medical Staff luncheon—when a good luncheon is enjoyed by all and the awards are presented. This year the awards were given by and to: Dr. Sanford presented the Peds. award to Ruth Redmann; Dr. Armstrong, scholarship to Donna Rikansrud; Dr. Ed. Allen, maty. to Marjorie Van Hyning; and Dr. Dorsey, surgery to Jeralyn Ely. The Alumnae Tea and Spring Fashion Show at Marshall Field's was held on April 25. Lovely guests, equally lovely fashions, and the whole highlighted by Mrs. C. B. McNeill's speech (she always says the right things). On April 26, Miss Froehlke gave the director's dinner for the graduates at Sprague Home. Then April 27 finally arrived and graduation at Fourth Presbyterian Church. Dr. Bertha Shafer, Northwestern University gave the address. After this Mrs. Allen K. Ingalls presented the awards which the Woman's Board gives to the most outstanding student in each half of the graduating group—Ruth Block, spring class and Catherine Ferris, fall class.

As of June 30th only 122 nurses have made a contribution to the Building Fund for the New Nurses' Home. We wish to express our thanks to them for their generous gifts. We have a long way to go to meet our goal and hope that every graduate nurse of Presbyterian Hospital will want to help attain this goal. We will appreciate hearing from you through July and August and any amount will be gratefully received.

We received news through Dr. Lee H. Kiel that Jennie Jacobs, '18, is in the "liberated" territory of China—and one wonders what that means. She said that the letter may be her last one out as they would not allow mail exchange with the U.S.A. Her work she hopes will continue on as before, it is needed and the demand is growing. PRESBYTERIAN NURSES' CAP

A crisp crest of sheer white cloth
Fluttering atop gleaming hair.
A rare form of pure white moth
Hovering to seek nectar there.

(Contributed by Ann Bolan, a patient in 2A-1)

Usually one thinks that the summer is not very busy or festive other than vacations, but we don't dwaddle or play hookey too many times! On August 25 twenty-one students were capped and went merrily off for a well earned vacation. Sept. 5th saw a gathering of hospital personnel and hospital friends at Sprague to meet and greet Miss Sylvia Melby, '26, and Miss Ruth Blagen. The Alumnae Association gave a tea on Sept. 13th so they too could welcome Miss Melby back to the fold and extend a welcoming hand to Miss Blagen. To really finish off the summer and get the fall under way in fine shape—the new class entered on Sept. 18th, sixty-nine.

Have you contributed your share for our new Nurses' Home? We enjoyed a beautiful Nurses' Home that was provided by our predecessors and now it is our turn to do the same for the nurses who will carry on our fine tradition as nurses.

You will be inspired to know that 213 graduates, to date, have contributed \$6,500.00 which is one-third of our goal of \$19,500.00. These gifts have ranged from \$3.00 to \$100.00 and we had one generous gift of \$600.00. The average is \$30.00 per graduate.

Let this brief notice be a reminder to you to do it now—"lest you forget".

Esther Harper Gatewood.

REMEMBER — that your Helena McMillan Educational fund is available to all members of the Alumnae Association to aid you to achieve your future goal in Nursing Education. A number of class reunions are being planned. Why not many? Let's give Sprague Home a rousing Goodbye and a glorious send-off to VALHALLA or wherever "Good Old Nurses' Homes" go.

Our school is 47 years old this year. Don't forget to send or bring your .47c to add to the Helena McMillan Educational Fund established in honor of our first director, Helena McMillan.

Alumnae News Letter

NUMBER 65

DECEMBER, 1950

NEWS LETTER

Greetings and Thanks — This year \$170.05 was added to the Helena McMillan Educational Fund through your generous contributions to the Alumnae Annual Birthday Fund on Homecoming Day. The committee thanks you. Our thanks also goes out to those of you who did not fail to send your contribution by mail. By this small annual contribution each one of us share in honoring our beloved Miss McMillan and also in providing a fund for the advanced preparation of our graduates.

Those of you who came to Homecoming know that it was a huge success. There were several class reunions—1910 had ten graduates present, 1915 had around eleven, the twenty-five year class 1925 had forty-two, and the 1940 also had a reunion but we are not sure about their class count.

Ada Quinell gave us an account of the activities of 1925—"Homecoming for 1925 was extra special for it was their 25th reunion. From a graduating class numbering eighty-one, forty-two returned to celebrate the silver anniversary. Those who could not get here responded by letter and telegram adding much interest to the gatherings. Three returned from Calif., one from Georgia and one from New York. The states represented were Ohio, Ind., Minn., Iowa, Mich., Wis., and Ill. The Palmer House was headquarters for the group. Festivities began with the reunion dinner at the Illinois Athletic Club on the evening of Nov. 9. The group was given a special table at the luncheon on Nov. 10. Everyone stayed to tea and many took advantage of a conducted tour through the hospital departments. The use of the monetary gift to the school has not yet been designated partly because of inadequate knowledge of needs in the new building. Much credit for the success of the event is due the class committee which consisted of Helen Fehlandt O'Brien, Frances Carlson Sproul, and Eleanora Peterson Sullivan."

Helen Clay Shannon Rhea wrote that the class of 1940 went to dinner in Oak Park then on to the home of Mydella Rawson Papierniak for an evening of chatter and the usual things that one does at a reunion. There were six of them there.

ALUMNAE NEWS

Ruth Hilger, '47, is studying at the Mary J. Drexel Home and Philadelphia Motherhouse for Deaconesses. She expects to be invested in May—this means she will be a deaconess with the privilege of wearing the garb and being called "Sister".

NOTE: Will you please note the program schedule in your program book? The January meeting will prove very beneficial and informative we think. In March we know that all of you who can make it in to the

meeting will do so because this will give you the right send-off for those new spring suits. Then in April there is the "Tea and Style Show", the program chairman would like you to begin planning now to come—if we wish to continue the style show we must have 200 present—so plan now to swell the crowd, besides having a good time! This brings us up to June and the Picnic—you will receive further information about this but remember June means the Picnic. Oct. brings the Annual meeting when you learn how things stand with your organization and

the new officers are elected. Homecoming and seeing old friends will be in November as usual—BUT please note that you will receive further information as to time, date, and place, due to the uncertainty of when the new building will be done. ALSO—begin now to think of class reunions and make your plans through the chairman of the program and social committee—Elizabeth Nicholas, '19, 5533 Everett Ave., Chicago.

If you have any friends who are Pres. grads. and you think we do not have their correct address would you let us know? You can send it to Mrs. Florence Klenze, chairman of the membership committee, 4424 No. Paulina St., Chicago 40; or to Mrs. Carrie Belle McNeill, cor. sec'y, 1750 W. Congress St., Chicago 12; or to the editor of the News Letter. Let me thank all of you who help to make this an interesting job by sending in your news and appreciation.—Editor.

The "Corner Stone Laying" ceremony was very impressive—we felt that at last we were really getting some place and the new building was a reality and not just a dream. Mrs. Sprague, Miss Melby, and Mr. Snyder put the first trowels of mortar in place which would secure the stone that held in its heart the box filled with the precious documents. After this there was a luncheon for 100 guests in Sprague Home. At the luncheon Mr. Snyder presided and introduced the speakers: Dr. Andrew C. Ivy, vice-president of the University of Illinois; Miss Sylvia Melby, Director of Nurses; Dr. Wm. G. Hibbs, medical director; Mr. Clarence S. Woolman, chairman of building committee; and Dr. Heyworth N. Sanford, president of the medical staff.

Mr. Leslie D. Reid, superintendent of the hospital notified Bess Hawver, '28, alumnae president, that the hospital had received a gift of \$500 which had been left in her will by Grace M. Coffman, '25, who died in the early fall of 1950. Since it was totally unrestricted Mr. Reid said that it had been placed in the Building Fund for the School of Nursing. We think that it was a grand

idea of the hospital to place it in our own fund.

Dr. Ruth Church, '29, is now Major Ruth Church and is stationed in Washington, D.C.

Margaret Corliss, '38, is at the Catherine Booth Hospital in S. India where she is an instructor in the school of nursing. She sent a picture of six students watching an "I. V." demonstration on Mrs. Chase; she said besides these six girls there are seven boys in the class. They had 25 students enter in July and 18 of them were capped in December.

Frances E. Locke, '31, is working towards her masters in Public Health at the University of Minnesota in Minneapolis.

Myrl Steinhoff Phillips, '43, and family are living in Long Beach, Calif. They moved out there in July. They have two children—Bob, 6 and Jane, 2.

Florence Ratajack Lancaster, '43, and family are now living in Arlington, Va. where her husband is stationed at the Judge Advocate's Office in the Pentagon building.

Lovetta Dixon, '41, has received her B.S. from Peabody and Jan. 1 goes to West Tennessee Hospital at Memphis as a clinical instructor.

Helen Rosson Mayne, '46, lives in Amarillo, Texas. She was married in August 1950 to Mr. R. Larry Mayne, who is a hydroclimatic inspector for the U.S. weather bureau. She is working in the V.A. hospital there.

Shirley Borchardt, Lt. (j.g.), '41, is stationed in Japan near Yokahama.

Margaret Scott Kooiman, '46, is living in Muskegon, Mich. Her husband is an electrical engineer with Consumers Power Co. in Mich. They have a ten months old boy, William Scott.

Edith Klatte Zenos, '46, has resigned her position in the Dispensary and instructor in the School to go to Camp Breckinridge, Ky. where her husband is stationed.
